Analysis of K-CET 2018 Mathematics paper held on 18 April 2018

Version-E

Dear Sir,

Following are the observations and analysis of K-CET 2018 Mathematics paper.

1. All the questions are within the prescribed syllabus of I and II PU.

2. Paper contains 14 questions from I PU and 46 from II PU.

3. Overall it is a moderate question paper in terms of difficulty level.

4. Question number 45 in version E is wrong.

5. A well prepared student can score 80 to 85%.

Paper Analysis is done by Prof. H S Mahadevaiah,
HOD- Mathematics Department
